VIO Register

Volunteering Queensland (VQ) has partnered with My Community Directory (MCD) to provide you with insights about volunteering in your community so you can be more informed and connected.

The **Volunteer Involving Organisation Register (VIO Register)** has been developed to identify organisations across Queensland that involve or want to involve volunteers, and to help create a more connected volunteering ecosystem.

Join the VIO Register

Benefits for organisations

Free listing on My Community Directory to promote your services to the community

Have your voice heard about your volunteering needs and ideas

Regular updates and resources to stay connected and build capacity

Better information about the sector will improve advocacy for volunteers & VIOs

Benefits for Councils

A holistic view of volunteering in your LGA

Comprehensive list of volunteer involving organisations in your LGA

Trends, data and insights around volunteering to inform decision making

Information to grow volunteering and ensure that your local volunteering ecosystem is meeting community needs

Login to your *My Community Directory* account to view your dashboard
